

# With Love

Hilary Duff

I don't mind you telling me what's been on your mind lately  
I don't mind you speaking up (speaking up)  
I know sometimes I can be all wrapped up and into me  
I can be in such a rush (such a rush) Just slow me down (down)  
Slow me down (down)  
Tell me tomorrow everything will be around  
Just slow me down (down) Slow me down (down)  
You're the one who keeps me on the ground  
Baby can you be tough  
Say enough is enough  
You can even be blunt  
Just do it with love love love love  
Tell me I'm wrong  
That I'm comin' on way too strong  
Don't think I'd be crushed  
Just do it with love love love love  
Just do it with love love love love, just do it with love  
I can take your honesty all your words weigh heavily  
I'm listening to you all the time (all the time)  
Wanna be there for you the way you've been there for me Always help me walk the line (walk  
the line)  
And slow me down, down Slow me down, down  
I know you will always be around  
Baby can you be tough  
Say enough is enough  
You can even be blunt  
Just do it with love love love love  
Tell me I'm wrong  
That I'm comin' on way too strong  
Don't think I'd be crushed  
Just do it with love love love love  
All this time we finally know each other  
Now that I've been leaning on your shoulder  
I can tell you baby  
That your right when your right and your wrong when your wrong And I can be weak cause I  
know you'll be strong strong strong...  
Baby can you be tough  
Say enough is enough  
You can even be blunt  
Just do it with love love love love  
Tell me I'm wrong  
That I'm comin' on way too strong

Don't think I'd be crushed Just do it with love love love love  
Baby can you be tough  
Say enough is enough  
You can even be blunt  
Just do it with love love love love  
Tell me I'm wrong  
That I'm comin' on way too strong  
Don't think I'd be crushed  
Just do it with love love love love  
Just do it with love love love love  
Just do it with love.  
Just do it with love love love love  
Just do with love, love love love...
