

100 (feat. Kid Ink, Ty Dolla \$ign, Iamsu! & Tyga)

Travis Barker

I know you hating brought your girlfriend with you
Don't leave her alone yeah
The way I'm feeling right now is an issue
She gonna want it
I'm 100, I'm 100
I'm 100, right now
I'm 100, I'm 100
I'm 100I wasn't even paying no attention
No, but I got you in trouble with your boyfriend
Tell the waitress go and get a tissue
Keep it 100, he don't want no issues
Nah, 100 I straight get up, and she on it now
Tryna see the tattoos on my stomach, I
Got shots in the air, where the gun at, I, blaow
Swear the head on her look real right
Bitch if you tell me, she single tonight
Got to cuff yo' chick for the rest of her life
I take her to be 100
I know you hating brought your girlfriend with you
Don't leave her alone yeah
The way I'm feeling right now is an issue
She gonna want it
I'm 100, I'm 100
I'm 100, right now
I'm 100, I'm 100
I'm 100100, one double o
Put me on the flyer I'm the one they coming for
Dollar, dollar, dollar, baby grind it on me slow
Its just that I'm from the bay, you don't gotta tell me when to go, ay
I got her beggin' me to stay now
Send a text, bet she slide like a playground
Uh, one time for the bay now
She my buddy with the money, she a paypal
Ask my baby with the K-K-K suit
She look right now, she don't wanna wai-wai-wait
Make no mistake, cause shes grown man b-i
Hang with the rubber band man, T.I
I know you hating brought your girlfriend with you
Don't leave her alone yeah
The way I'm feeling right now is an issue

She gonna want it
I'm 100, I'm 100
I'm 100, right now
I'm 100, I'm 100
I'm 100I got a lot of options while you in the cut
Taking straight shots and she going up
She a goon gobble up then she pull her panties up
Bet a hundred double up
Count it, I don't need the luck
Its just its money on my mind
Mansion, no condo
No time for combos
I need that pronto
Be real, don't lie though
Show me them tounge tricks, only you and I know
Fuck around and get your rent paid
I'm straight forward, no gas breaks
I be fresh like its court date
Its gonna be a good day and Dolla \$ign sayI know you hating brought your girlfriend with you
Don't leave her alone yeah
The way I'm feeling right now is an issue
She gonna want it
I'm 100, I'm 100
I'm 100, right now
I'm 100, I'm 100
I'm 100
