

Here Comes the Sun Again

M. Ward

Kingdoms and queens they all bow down to you
Ranches and ranch hands are bowing too
And I'm takin off my straw hat for you, sinkin'
Here comes the sun again And the leaves on the trees they all call out your name
Chrome on the freight line shines the same
And the stars in their cars roll their tops down for you, singin'
Here comes the sun again Oh but if you're gonna stay
Show some mercy today
Blow that breeze on my face
Snow banks and drifts down the hillside for you
Slides inside sandy river before the day is through
And before evenin' falls I may find myself there too, singin'
Here comes the sun again
Here comes the sun again
