

# Here Comes the Sun Again

M. Ward

Kingdoms and queens they all bow down to you  
Ranches and ranch hands are bowing too  
And I'm takin off my straw hat for you, sinkin'  
Here comes the sun again And the leaves on the trees they all call out your name  
Chrome on the freight line shines the same  
And the stars in their cars roll their tops down for you, singin'  
Here comes the sun again Oh but if you're gonna stay  
Show some mercy today  
Blow that breeze on my face  
Snow banks and drifts down the hillside for you  
Slides inside sandy river before the day is through  
And before evenin' falls I may find myself there too, singin'  
Here comes the sun again  
Here comes the sun again
