

# Up (feat. Demi Lovato)

Olly Murs

I drew a broken heart  
Right on your window pane  
Waited for your reply  
Here in the pouring rain  
Just breathe against the glass  
Leave me some kind of sign  
I know the hurt won't pass, yeah  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line  
I never meant to break your heart  
And I won't let this plane go down  
I never meant to make you cry  
I'll do what it takes to make this fly  
You gotta hold on  
Hold on to what you're feeling  
That feeling is the best thing  
The best thing alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction And that's up You drew a question mark  
But you know what I want  
I wanna turn the clock, yeah  
Right back to where it was  
So let's a build a bridge yeah  
From your side to mine  
I'll be the one to cross over  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line I never meant to break your heart  
And I won't let this plane go down  
I never meant to make you cry  
I'll do what it takes to make this fly  
Oh, you gotta hold on  
Hold on to what you're feeling  
That feeling is the best thing  
The best thing alright I'm gonna place my bet on us  
I know this love is heading in the same direction  
And that's up Girl I know we could climb back to where we were then Feel it here in my heart  
Put my heart in your hand  
Well I hope and I pray that you do understand  
If you did, all you have to say is Yeah yeah yeah yeah  
Yeah yeah yeah yeah Yeah yeah yeah yeah  
I'm waiting for you  
Yeah yeah yeah yeah

Yeah yeah yeah yeah  
Yeah yeah yeah yeah I never meant to break your heart  
And I won't let this plane go down  
I never meant to make you cry  
I'll do what it takes to make this fly  
You gotta hold on  
Hold on to what you're feeling  
That feeling is the best thing  
The best thing alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
And that's up
