\mathbf{X}

System Of A Down

Tell the people Tell the people that arrive Tell the people Tell the people that arriveWe don't need to multiply We don't need to multiply We don't need to multiply We don't need to multiply DieShow your people Show your people how we die Show your people Show your people how we die We don't need to nullify No need to nullify No need to nullify No need to nullify We don't need to nullifyWe don't need to We don't need to We don't need to We don't need to Ask your people Ask your people what is right Ask your people Ask your people what is right We don't need to multiply No need to multiply No need to multiply No need to multiply

Lyrics provided by http://counterlikes.com/

We don't need to multiply
