System Of A Down

Tell the people
Tell the people that arrive
Tell the people
Tell the people that arriveWe don't need to multiply
We don't need to multiply
We don't need to multiply
We don't need to multiply
DieShow your people
Show your people how we die
Show your people
Show your people how we die
We don't need to nullify
We don't need to nullify
We don't need to nullify
We don't need to nullify
No need to nullify
No need to nullify
No need to nullify
We don't need to nullifyWe don't need to
We don't need to
We don't need to
We don't need toAsk your people
Ask your people what is right
Ask your people
Ask your people what is right
We don't need to multiply
We don't need to multiply
We don't need to multiply
We don't need to multiply
No need to multiply
No need to multiply
No need to multiply
We don't need to multiply
