

Courage to Change (From the Motion Picture "Music")

Sia

Sia Courage to Change (From the Motion Picture "Music") World, I want to leave you better

I want my life to matter

I am afraid I have no purpose here

I watch the news on TV

Abandon myself daily

I am afraid to let you see the real me Rain it falls, rain it falls

Pouring on me

And the rain it falls, rain it falls

Sowing the seeds of love and hope, love and hope

We don't have to stay here, stuck in the weeds

Have I the courage to change?

Have I the courage to change?

Have I the courage to change today? (Oh)

Have I the courage to change?

Have I the courage to change?

Have I the courage to change today? (Oh) You're not alone in all this

You're not alone I promise

Standing together we can do anything

You're not alone in all this

You're not alone I promise

Standing together we can do anything World, you're not alone in all this

You're not alone I promise

Standing together we can do anything

I want to leave you better

I want my life to matter

I am afraid I have no purpose here

The rain it falls, rain it falls

Pouring on me

And the rain it falls, rain it falls

Sowing the seeds of love and hope, love and hope

You don't have to stay here, stuck in the weeds Have I the courage to change?

Have I the courage to change?

Have I the courage to change today? (Oh)

Have I the courage to change?

Have I the courage to change?

Have I the courage to change today? (Oh) You're not alone in all this

You're not alone I promise

Standing together we can do anything

You're not alone in all this

You're not alone I promise

Standing together we can do anything
