

Courage to Change (From the Motion Picture "Music")

Sia

Sia Courage to Change (From the Motion Picture "Music") World, I want to leave you better

I want my life to matter
I am afraid I have no purpose here
I watch the news on TV
Abandon myself daily
I am afraid to let you see the real me Rain it falls, rain it falls
Pouring on me
And the rain it falls, rain it falls
Sowing the seeds of love and hope, love and hope
We don't have to stay here, stuck in the weeds
Have I the courage to change?
Have I the courage to change?
Have I the courage to change today? (Oh)
Have I the courage to change?
Have I the courage to change?
Have I the courage to change today? (Oh) You're not alone in all this
You're not alone I promise
Standing together we can do anything
You're not alone in all this
You're not alone I promise
Standing together we can do anything World, you're not alone in all this
You're not alone I promise
Standing together we can do anything
I want to leave you better
I want my life to matter
I am afraid I have no purpose here
The rain it falls, rain it falls
Pouring on me
And the rain it falls, rain it falls
Sowing the seeds of love and hope, love and hope
You don't have to stay here, stuck in the weeds Have I the courage to change?
Have I the courage to change?
Have I the courage to change today? (Oh)
Have I the courage to change?
Have I the courage to change?
Have I the courage to change today? (Oh) You're not alone in all this
You're not alone I promise
Standing together we can do anything
You're not alone in all this
You're not alone I promise

Standing together we can do anything
