

# Sorry

## Sweetbox

(Intro)

I never, I never  
Don't wanna make you sad  
I never wanna make you lie  
I never wanna see you cry (2x)(Verse 1)  
Shadows in your eyes  
Your smile's colored black  
You don't need someone who never saw your empty life  
I never made you smile  
I promised deep inside  
I'm gonna be the one who's gonna keep you satisfied  
I'll make it up to you  
I promise to  
I really wanna tell you I'm sorry  
You're just a part of me  
Still gotta let you go  
Please forgive me,

(Chorus)

It's really hard to tell you I'm sorry,  
I don't wanna break your heart again  
It's really hard to tell you I'm sorry,  
I don't wanna see you cry again  
It's really hard to tell you I'm sorry,  
Is there anything that I can do?  
It's really hard to tell you I'm sorry,  
I don't wanna break your heart again(Verse 2)  
I'm sorry for the lies  
That I kept telling you  
I'm sorry for the things I never said to you  
Expect to get your call  
Almost every time  
No matter what they said I kept pretending I was fine  
But I can't hide the truth  
I never can  
It's really hard to say I'm sorry  
You're just a part of me  
And I can let you go  
Please forgive me,  
(Repeat Chorus, Repeat Intro)No, I know, I know, I know,  
Oooh, I know,  
I need to tell you,  
Just wanna say I'm sorry,

Aaah!Don't wanna make you sad  
I never wanna make you lie  
I never wanna make you cry - see you cry  
I never,  
Don't wanna make you sad  
I never wanna make you lie  
I never wanna see you cryIt's really hard to tell you I'm sorry  
Is there anything that I can do?  
It's really hard to tell you I'm sorry  
I don't wanna break your heart againOoh oh, Sorry,It's really hard to tell you I'm sorry  
Is there anything that I can do?  
It's really hard to tell you I'm sorry  
I don't wanna break your heart again
