Joji

Please don't run away
Please don't run away
Please don't run away
Please don't run away Where'd you go?
I thought we'd last forever
Where'd I go?
I was sinking through the leather I need you back
I need you back (yeah, yeah, yeah)
I need you, bad
I need you back
So I'll fly away
Zoloft, Xanax
Zoloft, Xanax Please don't run away
Please don't run away
(Fly, I'll fly away, away, away)
Please don't run away
Please don't run away
(Please don't run away) I don't know why
I don't know why I feel this way
I feel the same
I don't know why
I don't know why I feel the same
I need you back
I need you back
I need you bad
I need you back (yeah, yeah, yeah)
Where'd you go?
I thought we'd last forever (last forever)
Where'd I go?
I was sinking through the leather
