

# Dusic

## Brick

Dusic, dusic Just a funky thing to let you  
Groove to the music, yeah  
A funky, funky thing  
We know that you and you can use it If you want to stretch out  
Come find out what it's all about  
Just get on down, get on down  
To the funky dance music Say yeah, dusic  
Say yeah, dusic  
Say yeah Dusic, say yeah  
Dusic, say yeah  
It's funky, funky  
Funky, funky, funky  
It's funky, funky  
Funky, funky, funky  
It's funky, funky  
Funky, funky, funky Just a funky thing to let you  
Groove to the music, yeah
