

# No Surprise

## Daughtry

And I hope...  
And I hope...I've practiced this for hours, gone 'round and 'round  
And now I think that I've got it all down  
And as I say it louder I love how it sounds  
'Cause I'm not taking the easy way out  
Not wrapping this in ribbons  
Shouldn't have to give a reason whyIt's no surprise, I won't be here tomorrow  
I can't believe that I stayed till today  
Yeah, you and I will be a tough act to follow  
But I know in time we'll find this was no surprise  
(And I hope...)  
It came out like a river once I let it out  
When I thought that I wouldn't know how  
Held onto it forever just pushing it down  
Felt so good to let go of it now  
Not wrapping this in ribbons  
Shouldn't have to give a reason whyIt's no surprise I won't be here tomorrow  
I can't believe that I stayed till today  
There's nothing here in this heart left to borrow  
There's nothing here in this soul left to sayDon't be surprised when we hate this tomorrow  
God knows we tried to find an easier way  
Yeah, you and I will be a tough act to follow  
But I know in time we'll find this was no surprise  
Our favorite place we used to go  
The warm embrace that no one knows  
The loving look that's left your eyes  
That's why this comes as no, as no surprise(And I hope...)  
If I could see the future and how this plays out  
I bet it's better than where we are now  
But after going through this  
It's easier to see the reason whyIt's no surprise, I won't be here tomorrow  
I can't believe that I stayed till today  
(Stay till today...)  
Yeah, you and I will be a tough act to follow  
But I know in time we'll find this was no surpriseThe kiss goodnight, it comes with me  
Both wrong and right, our memories  
(our memories)  
The whispering before we sleep  
Just one more thing that you can't keep  
(That you can't keep)Our favorite place we used to go  
The warm embrace that no one knows  
The loving look that's left your eyes

But I know in time we'll find this was no surprise  
And I hope... 5x
