

# Cymbal Rush

Thom Yorke

Try to save but it doesn't come off the rug  
Try to build a wall that is high enough  
It's all boiling over, all boiling over  
Try to save your house  
Try to save your songs  
Try to run but it follows you up the hill  
It's all boiling over, all boiling over  
Your loved ones  
Your loved ones  
A normal conversation  
A normal conversation  
You should have took me out when you had a chance  
You should have took me out when you had a chance  
All the rooms renumbered and losers turned their way  
Don't turn away  
Don't turn away  
(There were ten in the bed and the little one said roll over  
There were ten in the bed and the little one said roll over)
