

Save Me

Remy Zero

I feel my wings have broken in your hands
I feel the words unspoken inside
And they pull you under
I will give you anything you want, oh
You are all I wanted
All my dreams are fallen down
Crawlin' around...Somebody save me
Let your warm hands break right through
Somebody save me
I don't care how you do it, just stay, stay
C'mon, I've been waiting for you
I see the world has folded in your heart
I feel the waves crash down inside
And they pull me under
I would give you anything you want, oh
You are all I wanted
All my dreams have fallen down
Crawlin' around...Somebody save me
Let your warm hands break right through
Somebody save me
I don't care how you do it, just stay, stay
C'mon, I've been waiting for youCrawlin' around...
Somebody save me
Let your warm hands break right through
Somebody save me
I don't care how you do it just stay (stay with me)
I made this whole world shine for you
Just stay, stay
C'mon, I'm still waiting for you
