

# Clarify (feat. Fractures)

## Lane 8

We are wanted, we are wanted  
And we outrun this, fade to nothingGo, look for damage  
You see why, now for certain  
So, you can argue  
That a new light will come  
But there's a warning  
That through your eyes, it's distorted  
But know, what it felt like  
To realize we were runningI'm breathless, just so you know  
I'm emptying the overflow  
I'm too wired, but too below  
I'm somewhere in the great unknown  
I'm breathless, just so you know  
I'm emptying the overflow  
I'm too wired, to let you know  
Too wired, to let you knowWe are wanted, we are wanted  
(Too wired to let you know)  
We outrun this, fade to nothing  
(Too wired to let you know)  
We don't want it, we don't want it  
Now I'll let you know  
That we don't want it, we don't want thisI'm breathless, just so you know  
I'm emptying the overflow  
I'm too wired, but too below  
I'm somewhere in the great unknown  
I'm breathless, just so you know  
I'm emptying the overflow  
I'm too wired, to let you know  
I'm somewhere in the great unknownI'm breathless, just so you know  
I'm emptying the overflow  
I'm too wired, but too below  
I'm somewhere in the great unknownI'm breathless, just so you know  
I'm emptying the overflow  
I'm too wired, to let you know  
I'm somewhere in the great unknownI'm breathless, just so you know  
I'm too wired, but too below  
I'm breathless, just so you know  
I'm too wired, to let you know  
I'm too wired, to let you know
