

# Breaking Up Was Easy in the 90's

Sam Hunt

Bartender looked at me like, "Pony up man, we're closing down"  
I paid the tab and I turned around  
Got on that phone on the way home  
Ended up down the rabbit hole again Funny how you haven't changed a bit but you're twice as pretty  
I'm glad you finally got to see New York City  
And I know it's not a race  
But it looks like you're getting over me faster than I'm gettin' over you  
But hey, what you gonna do? I'm sick of sitting at the house  
Dying on my phone  
Wishin' I was somewhere I could be alone  
Try to let you go but somethin' always reminds me  
I bet breaking up was easy in the 90's  
I'm tired of gettin' drunk  
Tired of being free  
Tired of seeing pictures I don't wanna see  
Girl you're everywhere  
Everywhere but behind me  
I bet breaking up was easy in the 90's Back then I could've convinced myself that maybe you called when I was out  
But you didn't know what to say, so you didn't leave a message  
And that you're probably home right now, sound asleep  
'Cause going out isn't really your thing And I wouldn't have a clue what you've been up to lately  
Or who you've been up to it with  
But when I don't miss your calls, I miss you calling  
And I go 'round and 'round again  
I'm sick of sitting at the house  
Dying on my phone  
Wishin' I was somewhere I could be alone  
Try to let you go but somethin' always reminds me  
I bet breaking up was easy in the 90's I'm tired of gettin' drunk  
Tired of being free  
Tired of seeing pictures I don't wanna see  
Girl, you're everywhere  
Everywhere but behind me  
I bet breaking up was easy in the 90's Modern love leads to modern hearts breaking  
I'm just a product of my generation  
And I 'bout had enough  
Watching you gettin' on with your life Baby, I'm sick of sitting at the house  
Dying on my phone  
Wishin' I was somewhere I could be alone  
I try to let you go but somethin' always reminds me

(I bet breaking up was easy in the 90's) I'm tired of gettin' drunk  
Tired of being free  
Tired of seeing pictures I don't wanna see  
Girl you're everywhere  
Everywhere but behind me  
I bet breaking up was easy in the 90's
