

# Top of the World

Bridgit Mendler

You got that fresh way of talking  
It could be four in the morning  
And you're making me trip  
My heart skip, skip the beat  
You know that this is amazing  
Please tell me why you're hesitating  
Let's risk it all, risk the fall tonight Take the rope and climb  
Close your eyes  
Love will take you high  
We'll be sitting on top of the world  
Baby, you and I were born to rise  
So just hold on tight  
We'll be sitting on top  
Sitting on top of the world  
Oohh oohh  
Oohh oh oh oh oh oh  
Oohh oohh oohh I hear the wind in the trees  
And I'm weak in the knees  
When you're holding me close  
Got tingling toes tonight  
You got me so elevated  
Please tell me why your hesitating?  
Just risk it all, risk the fall tonight Take the rope and climb  
Close your eyes  
Love will take you high  
We'll be sitting on top of the world  
Baby, you and I were born to rise  
So just hold on tight  
We'll be sitting on top  
Sitting on top of the world  
Oohh oohh  
Oohh oh oh oh oh oh oh  
Oohh oohh oohh Oohh oohh  
Oohh oh oh oh oh oh  
Oohh oohh oohh I'm begging you, begging you  
Got my loving hand out  
I'm begging you, begging you  
Got my loving hand out  
I'm begging you, begging you  
Got my loving hand out  
Begging you, begging you  
Begging you, begging you Take the rope and climb

Close your eyes  
Hold on tight  
We'll be sitting on top of the world  
Baby, you and I were born to rise  
So just hold on tight  
We'll be sitting on top  
Sitting on top of the worldTake the rope and climb  
Close your eyes  
Love will take you high  
We'll be sitting on top of the world  
Baby, you and I were born to rise  
So just hold on tight  
We'll be sitting on top  
Sitting on top of the worldOohh oohh  
Oohh oh oh oh oh oh  
Oohh oohh oohhSitting on top of the world  
We will be, you and me  
We will be sitting on top of the world
