

Don't Make Me Wait

Sting & Shaggy

Don't make me wait
Don't make me wait in vain, to love you
Can't wait to give you me last name
Don't make me wait, don't make me too long girl
Don't make me wait, don't make me wait
To love, to love you, to love you
Don't make me wait, don't make me wait
To love, to love you, to love you
A wah mi say!
It didn't take me long to fall in love with your mind
And I won't even mention how you body perfectly design, so fine
And judging from your outlook on life
I knew this would be more than just one night
But now I'm ready for the next level and you're telling me you need more time
No crime, nothing wrong with waiting a little bit
Yuh know this is more to me than just hittin' it
But only get a love like this once inna life time and if this is our change I ain't missing it
My whole life I never felt like this, just wanna run where I don't wanna fight this
I ain't rushing yuh to make up yo mind, just wanna put some more quality in a we time
Come on girl! Don't make me wait, don't make me wait
To love, to love, to love you
Don't make me wait, don't make me wait
To love, to love, to love you
I don't want you to think I'm rushing you
I know you like to take your time (time, time)
I'm already sold by the idea, of you and I
Just tell me where I need to sign
Cause I've been searching for a while girl, and I know what works for me (ohh, ohh)
All I need to know if this is what you want girl, cause I'm already where I need to be
So don't make me wait Don't make me wait, don't make me wait
To love, to love, to love you
I want wait no longer
Don't make me wait, don't make me wait
To love, to love, to love you
Fi wah You don't wanna rush and I don't wanna take my time
I'm putting everything on the line
They say that true love's hard to find, I am ready to make you mine Don't make me wait
Baby now, baby now, don't make me wait
You gotta say yeah, yeah, yeah
Don't make me wait
Baby now, baby now, don't make me wait
Don't make me wait!
