

# Take One

## Kodak Black

You know, me, I ain't doing no tweeting (Glee!)  
I ain't doing no tweeting  
Sniper Gang, Kodak I'm on house arrest but I'ma take one  
That pussy biting so I paid to get her lace done  
That nigga dissing on the 'Gram, but I ain't say nothin'  
I ain't tripping I'ma get him when that day come  
I'm on house arrest but I'ma take one  
That pussy biting, so I paid to get her lace done  
That nigga dissing on the 'Gram, but I ain't say nothin'  
I ain't tripping I'ma get him when that day come  
I'ma lay on lil' buddy for 'bout 8 months  
If I whack him now, everybody gon' say something  
He tryna cop deuces, I don't tolerate none  
He tried to pull up to the corner but he can't come  
Yeah, we ran down on fooly, he a wankster  
He portraying to the media he gangsta  
That pussy biting, got me thinking about a ring or sum'  
That pussy biting, make a nigga wanna sing or sum'  
Lil' cracker fucked up and then he put a bracelet on  
So I'm sliding in a Tahoe with a ray gun  
I'm getting the money, I ain't even gotta pay for it  
That pussy so good, I give her everything she want  
I'm on house arrest but I'ma take one  
That pussy biting, so I paid to get her lace done  
That nigga dissing on the 'Gram, but I ain't say nothing  
I ain't tripping, I'ma get him when that day come  
I'm on house arrest but I'ma take one  
That pussy biting so I paid to get her lace done  
That nigga dissing on the 'Gram, but I ain't say nothing  
I ain't tripping, I'ma get him when that day come Niggas getting kidnapped just to show you that  
it's real  
Niggas getting snatched, showing you niggas know right where you live  
When you dissin me, nigga, that better be really how you feel  
'Cause I ain't takin' no apologies, I don't care if it's sincere  
I'm on 1800 block, still posted with the steel  
I don't even care, I got a couple mil still in the field  
I'm a business man how I give a pussy nigga the deal  
Like an engineer I give a pussy nigga the drill  
I be loving when we vibing  
I be loving when we chill  
And that pussy so damn good, it make a nigga shed a tear  
Sliding lowkey bootied

He a shooter, I recruited him  
Better keep that toolie if he move then you shooting him  
Glee! I'm on house arrest but I'ma take one  
That pussy biting, so I paid to get her lace done  
That nigga dissing on the 'Gram, but I ain't say nothing  
I ain't tripping, I'ma get him when that day come  
I'm on house arrest but I'ma take one  
That pussy biting so I paid to get her lace done  
That nigga dissing on the 'Gram, but I ain't say nothing  
I ain't tripping, I'ma get him when that day come
