

Just Friends (Sunny)

Musiq

Girl I know this might seem strange
But let me know if Im out of order
For stepping to you this way
See Ive been watching you for a while
And I just gotta let you know
That Im really feeling your style 'Cause I have to know your name
And leave you with my number
And I hope that you would call me someday
If you want you can give me your's too
And if you dont well I aint mad at you
We can still be cool 'cause Im not trying to pressure you just cant stop thinking bout you
You aint even really gotta be my girlfriend
I just wanna know your name and maybe some time
We can hook up, hang out, just chill
Damn, Im surprised that you called
'Cause the way you walked away
I thought I wasnt gon' see you no more
Since you didnt wanna give me your name
I thought that you were igging me
And wasnt digging me But anyway what you doing tonight?
Ill probably be with my peeps
If its cool with you maybe well swing by
And you can just chill with us or you can just chill with me
Long as youre comfortable
And you feel secure when your with me 'cause Im not trying to pressure you just cant stop
thinking bout you
You aint even really gotta be my girlfriend
I just wanna know your name and maybe some time
We can hook up, hang out, just chill
Oh, oh, baby, yeah maybe we can
Go and see a movie girl
Or maybe we can hang out girl whatever you wanna do
Just let me know, its up to you Im not trying to pressure you just cant stop thinking bout you
You aint even really gotta be my girlfriend
I just wanna know your name and maybe some time
We can hook up, hang out, just chill Im not trying to pressure you just cant stop thinking bout
you
You aint even really gotta be my girlfriend
I just wanna know your name and maybe some time
We can hook up, hang out, just chill Im not trying to pressure you just cant stop thinking bout
you
You aint even really gotta be my girlfriend

I just wanna know your name and maybe some time
We can hook up, hang out, just chillJust trying to keep it real
Ain't out to get nothing from you, oh no, oh no
We can just talk about you girl
