

You Can Bring Me Flowers

Ray LaMontagne

My eyes have dried, my hands are tied
Nothing I can say
If you feel the need to go
I won't stand in your way Sit and think
Drown in drink
Sing this sad, sad song
You can bring me flowers, baby
When I'm dead and gone
Fate has played his hand so cruel
There ain't nothing I can do
You say you lost your love for me
Me my love for you Sit and cry
And say goodbye
And sing this sad, sad song
You can bring me flowers, baby
When I'm dead and gone So when you're lying in his arms
Think of me and know
The choice you made it free and clear
It cost me a heavy toll
Sit and think
Drown in drink
And sing this sad, sad song
You can bring me flowers, baby
When I'm dead and gone
