## You Can Bring Me Flowers

## Ray LaMontagne

My eyes have dried, my hands are tied Nothing I can say If you feel the need to go I won't stand in your waySit and think Drown in drink Sing this sad, sad song You can bring me flowers, baby When I'm dead and gone Fate has played his hand so cruel There ain't nothing I can do You say you lost your love for me Me my love for youSit and cry And say goodbye And sing this sad, sad song You can bring me flowers, baby When I'm dead and goneSo when you're lying in his arms Think of me and know The choice you made it free and clear It cost me a heavy toll Sit and think Drown in drink And sing this sad, sad song You can bring me flowers, baby When I'm dead and gone Song Discussions is protected by U.S. Patent 9401941.
