

# Devil Inside

INXS

Here come the woman  
With the look in her eye  
Raised on leather  
With flesh on her mind  
Words as weapons  
Sharper than knives  
Makes you wonder  
How the other half die  
Other half die Makes you wonder  
Oh-oh-wonder Here come the man  
With the look in his eye  
Fed on nothing  
But full of pride  
Look at them go  
Look at them kick  
Makes you wonder  
How the other half live The devil inside  
The devil inside  
Every single one of us  
The devil inside  
The devil inside  
The devil inside  
Every single one of us  
The devil inside Here come the world  
With the look in its eye  
Future uncertain  
But certainly slight  
Look at the faces  
Listen to the bells  
It's hard to believe  
We need a place called hell  
A place called hell The devil inside  
The devil inside  
Every single one of us  
The devil inside  
The devil inside  
The devil inside  
Every single one of us  
The devil inside Here comes the woman  
With the look in her eye  
She's raised on leather  
With flesh on her mind Words are weapons

Sharper than knives  
Makes you wonder  
How the other half die  
The devil inside  
The devil inside  
Every single one of us  
The devil inside  
The devil inside  
The devil inside  
Every single one of us  
The devil inside
