Live It Well

Switchfoot

Yeah (I wanna live it well) Yeah, yeah (I wanna live it well) YeahTake the burden from my arms Take the anchors off my lungs Take me broken and make me one Break the silence and make it a songLife is short; I wanna live it well One life, one story to tell Life is short: I wanna live it well And you're the one I'm living for Awaken all my soul Every breath that you take is a miracle Life is short; I wanna live it well, yeah I wanna sing with all my heart a lifelong song Even if some notes come out right and some come out wrong Cause I can't take none of that through the door Yeah, I'm living for more than just a funeral I wanna burn brighter than the dawnLife is short; I wanna live it well One life, one story to tell Life is short; I wanna live it well And you're the one I'm living for Awaken all my soul Every breath that you take is a miracle Life is short; I wanna live it well, yeahI got one life and one love I got one voice, but maybe that's enough Cause with one heartbeat and two hands to give I got one shot and one life to live One life to live, yeah And every breath you take is a miracle Life is short; I wanna live it well One life, one story to tell (one love) Life is short; I wanna live it well And you're the one I'm living for (the one, yeah) Awaken all my soul Every breath that you take is a miracle Life is short; I wanna live it well And you're the one I'm living for(One life) One life, one love (One love) One life, one love (One voice) One voice, yeah (And that's enough) And that's enough, oh (One heartbeat, two hands to give)
