

Sleep Alone

Two Door Cinema Club

Know

My only goal is to see
When I'm only fast asleep
It takes more than strength to find
This piece of mind So I'll hold, hold, hold, hold it close
To my heart beating with every step
Hold, hold, hold it close He sleeps alone
He needs no army where he's headed cause he knows
That they're just ghosts
And they can't hurt him if he can see them, oh
And I may go
To places I have never been to just to find
The deepest desires in my mind

We

We only know, what we see
Cause we're always fast asleep
Is it so hard not to believe
That we'll never know Oh hold, hold, hold, hold me close
I've never been this far from home
Hold, hold, hold me close He sleeps alone
He needs no army where he's headed cause he knows
That they're just ghosts
And they can't hurt him if he can see them, oh
And I may go
To places I have never been to just to find
The deepest desires in my mind

It's in my head

And I have said

That I must be like him, oh

He sleeps alone

He sleeps alone

And one last chance

To make sense

Of what has long escaped us

He sleeps alone

I sleep alone He sleeps alone

He needs no army where he's headed cause he knows

That they're just ghosts

And they can't hurt him if he can see them, oh

And I don't know

If in the morning I will be here and if so

Let it be known

That I was worthy
I was worthy
I was worthy
I was...
