

# Reasons

Faith Evans

MMMMmmmmmm,  
Give me the reason. That I want.(Give me) give me the reason to love you (baby, yeah yeah)  
And I want to love you more, oh (oh) oh  
Give me the reason to love you  
and I want to love you moreSittin' here thinking about you  
and all the joy you bring, oh baby  
I just can't live without you  
cause your love means everything, oh ohGive me the reason to love you (baby give me)  
And I want to love you more, (oh) oh oh  
Give me the reason to love you (and I want)  
and I want to love you more  
Honey I've got to tell you  
just how you make me feel, oh baby  
My love will never leave you  
cause I will be right hereAnd you know  
that I'll do anything  
not to loose your love (oh no, baby)  
to loose your love  
Cause your love gives me the reason (and I want you)  
and I want you more (more each day)  
I live(Mmm) give me the reason to love you (when I want to love you)  
And I want to love you more, (oh) oh oh  
Give me the reason to love you (and I want to love you)  
and I want to love you more  
(You give me the reason, yeah) give me the reason to love you (everyday)  
And I want to love you more, (give it to me, yeah, yeah) oh oh  
Give me the reason to love you  
and I want to love you more(you)And you know  
that I would do anything (that I want)  
not to loose your love  
(to loose your love)  
cause your love gives me the reason (that I just want to)  
and I want you more, I liveWhen I can't seem to find my way (oh)  
You brighten up my darkest day (ahh)  
Reasons, to love you more  
(When I can't seem) When I can't seem to find my way (find my way)  
You brighten up my darkest day (mmm, mmm)  
Reasons, to love you more  
(Baby, the reee-eeasons)  
When I can't seem to find my way  
You brighten up my darkest day  
Reasons, (ahh-ohh) to love you more

(When I can't seem to find my way)  
When I can't seem to find my way  
(you always brighten my day)  
You brighten up my darkest day  
Reasons, (and I love you baby) to love you more (You give me the reasons) When I can't seem  
to find my way  
(You give me the reasons, ahh) You brighten up my darkest day (and I want to love,  
want to love ya, more)  
Reasons, to love you more (You give me the reasons) When I can't seem to find my way  
(You give me the reasons, ahh) You brighten up my darkest day (and I want to love,  
want to love ya, more)  
Reasons, to love you more Give me the reason to love ya...
