

# Walnut Tree

Keane

Once there was a great storm  
Pushed my head beneath the waves  
I was gone Underneath the walnut tree  
Where you said you'd wait for me  
And I waited a long, long time I waited a long, long time  
I waited a long, long time  
I waited a long, long time  
I waited a long, long time Why, why do I come here?  
Seeking out the memories I hold dear  
'Cause you put your spell on me  
Made me live in memory  
And I'm frozen in just the wrong time  
I waited a long, long time  
I waited a long, long time  
I waited a long, long time  
I waited a long, long time
