

# I Am Bulletproof

## Black Veil Brides

Here we come  
Holding onto lies, holding onto ties that vanished  
Cut the rope  
And fall into the sky, the devil filled our minds with sadness  
The world's a gun and I've been aiming all my life  
Got something to live for, I know that I won't surrender  
A warrior of youth  
I'm taking over, a shot to the new world order  
I Am Bulletproof  
Here I come  
Another prison flight, another perfect sky I damaged  
Now I know  
Just who created life and why I set my sights to save it  
The world's a gun and I've been aiming all my life  
Got something to live for, I know that I won't surrender  
A warrior of youth  
I'm taking over, a shot to the new world order  
I Am Bulletproof  
And as they take their final breath  
I have built the truth  
I'm taking over a shot to the new world order  
I Am Bulletproof  
Bulletproof  
Got something to live for  
I know that I won't surrender  
A warrior of youth  
I'm taking over, a shot to the new world order  
I Am Bulletproof  
Got something to live for  
I know that I won't surrender  
A warrior of youth  
I'm taking over, a shot to the new world order  
I Am Bulletproof
